

The Kelly Game Rules

Everyone starts with 200 pts

Round 1 Thursday / Friday Games

- You have 200 pts to wager on 1 game or as many games as you would like against the point spreads posted at www.thekellygame.com
- You only have 200 pts for the duration of the first round, you do not use any of your winnings from 1st round picks
 - You must wager at least 100 pts (50% of your starting round pts)
- 10 point minimum wager, please keep picks on a multiple of 10 (ie. 10, 20, 50)
 - Do not wager more than 200 points over the two day 1st round

Round 2 Saturday/Sunday games

- You will receive your total's back Saturday morning from Round 1 action
- This will include any leftover points not wagered in Round 1 plus all winnings from correct picks on Round 1 (Thurs/Fri)
- With your new total amount, you use that pot of points to wager on games for Round 2 (Saturday/Sunday games)
- Same story, you can choose one game or spread your points across all games
- You must wager 50% of what you started Round 2 with
- Keep with a 10 point minimum wager in increments of 10
- Do not wager more points than you started the round with
- As long as you have point to start the next round, you are alive
- When you lose your points, you are out

Repeat...Keep up the same format over the subsequent rounds until the championship game. Any questions email thekellygame@gmail.com
